

Leed Certification Points

Depending on the particular project, Altus products may qualify for up to 11 LEED Credit Points.

Material & Resources:

Credit	Points	Description
2.1	1	Construction Waste Management - Divert 50% From Landfill Recycled, Recyclable and Returnable Packaging - Altus products are packaged in postconsumer recycled cardboard, which in turn can be recycled to reduce landfill disposal. In addition, products can be shipped blanket-wrapped to eliminate packaging usage.
2.2	2	Construction Waste Management - Divert 75% From Landfill Recycled, Recyclable and Returnable Packaging - Altus products are packaged in postconsumer recycled cardboard, which in turn can be recycled to reduce landfill disposal. In addition, Altus products can be shipped blanket-wrapped to eliminate packaging waste.
3.3	1	Resource Reuse - 30% Furniture & Furnishings Altus products are designed for durability with a Limited 5 year warranty, and can be re-used. LEED credits may be achieved when re-using or purchasing used materials on a project.
4.1	1	Recycled Content - 10% (Post-consumer and 1/2 Pre-consumer) Altus products contribute to this credit as the products contain 10% recycled content.
4.2	2	Recycled Content - 20% (Post-consumer and 1/2 Pre-consumer) Altus products contribute to this credit as the products contain 20% recycled content.
5.1	1	Regional Materials - 20% Manufactured Regionally Altus products may contribute to this credit depending on project location. Altus products are manufactured in Walker, MI 49544.
5.2	1	Regional Materials - 10% Extracted and Manufactured Regionally Altus products may contribute to this credit depending on project location. Altus products are manufactured in Walker, MI 49544.

INDOOR AIR QUALITY:

4.4	1	Low-Emitting Materials, Composite Wood and Laminate Adhesives Altus products meet the requirements of this section. They are MD5 Production Category (CARB Phase 1) compliant. CARB Phase 1 Compliance documentation is available on request.
-----	---	---

Innovation & Design Process:

1.1	1	Innovation in Design Altus products may be included as part of a comprehensive ergonomics program.
